

BOOSTA

boosta is the name given to access prepaid vouchers that are used for prepaid voice and internet services. together with access's innovative ONE Rate, BOOSTAs give you good value for your money.

each **boosta** comes with a bonus, which gives the customer more value for their money, with no conditions attached. the more a customer spends on a **BOOSTA** the higher the bonus they receive and the more value they get. this is displayed in the following table:
