access's innovative **ONE Rate** gives you value when it counts the most. with **ONE Rate**, you can make national calls to any network, at anytime and to any destination within Malawi at the same tariff. **ONE Rate** simplifies communication for customers as they are better able to manage their communication spend by knowing exactly what they have paid for. this is in line with access's quest to offer simplified yet innovative products to its customers.

currently **ONE Rate** is K36 per minute. **ONE Rate** is very competitive during peak time (7am to 6pm), which is when most people make most of their calls. you can compare **ONE Rate** with other offerings on the market during the peak time to establish the value you get from using access as your primary mode of communication during peak time.

all you need to enjoy the simplicity of **ONE Rate** is an access handset or desktop phone and an **access BOOSTA**. a wide variety of handsets and desktop phones are available from all access points, dealers and distributors. **access BOOSTAs** are available from access points, dealers, distributors, a wide network of merchants and vendors in areas that have access coverage. look out for the **access BOOSTA** sign to identify locations where **access BOOSTAs** are available. each **access BOOSTA** gives you the following usage for calls within Malawi:

BOOSTA	what you pay (MK)	what you get (MK)	talk time in minutes	* FREE minutes
BOOSTA-2	200	210	5	0.2
BOOSTA-5	500	535	14	0.9
BOOSTA-8	800	870	24	1
BOOSTA-10	1000	1110	30	2
BOOSTA-16	1600	1795	49	5
Moni BOOSTA	2400	2720	75	8
Silver BOOSTA	4800	6080	168	35
Gold BOOSTA	8000	11120	308	86
Platinum BOOSTA	16000	28560	793	348
Diamond BOOSTA	32000	66400	1844	955

each access BOOSTA comes with a bonus that gives you FREE talk-time up to 955 minutes, which is awarded for the Diamond BOOSTA. this gives you up to double what you actually paid for and adds more value for you!
